SUMMARY

My goal as a graphic designer is to create impactful design experiences that bring stories to life in a multitude of forms. I aim to blend thoughtful print design with immersive exhibition work. Through my work, I strive to connect people to ideas in ways they can see, touch, and remember. I look forward to contributing to studios that share my love for crafting meaningful, visually compelling experiences.

EDUCATION

Savannah College of Art and Design 2025
B.F.A. Graphic Design
Minor in Acting

EXPERIENCE

Lab Monitor

Savannah College of Art and Design
July 2023 — June 2025

- Created and expanded graphic assets for SCAD's Graphic Design department branding.
- Maintained lab resources such as printers, plotters, and bindery equipment.

Design Lead, Project Co-Lead for SCADpro Sponsored Course

Deloitte
January 2025 — March 2025

- Led a team of 20 fellow students from various disciplines in expanding brand identity and amplifying awareness for a Deloitte client.

Graphic Designer for SCADpro Sponsored Course

Exact Sciences
March 2024 — May 2024

- Designed marketing strategies to promote brand awareness and expand brand identity.
- Developed marketing communications across a variety of media and platforms with a focus on at-risk communities.

Sales Associate

Blick Art Materials
October 2021 — December 2022

- Assisted guests with finding the best quality materials and understanding proper use and technique of each.
- Cultivated customer relations.
